Project Child Find is a project of the Quinton Public School's Program for Exceptional children designed to comply with Public Law 94-142, The Education for All Handicapped Children Act.

The goals of Project Child Find are:

- To locate and identify un-served physically and mentally challenged children, ages birth to twenty-one who live in the Quinton Public School District and who qualify for services designed to comply with Public Law 94-142, The Education for All Handicapped Children Act.
- To increase the general population's awareness of public school services for school age children.
- To work with the Oklahoma State Department of Education in assessing the need for future programs and in planning programs which will provide for a free and appropriate education for all physically and mentally challenged children.

If you know a physically or mentally challenged child who does not attend school, please call **PROJECT CHILD FIND** at the appropriate phone number listed above.
